Customer's Signature_____

Recording garden growth at our Trial Grounds 10 miles south of Minneapolis on Highway No. 169

We Are Extensive Growers of Beans, Peas, Sweet Corn

and large producers of Squash, Lettuce, Onion, Carrot, Radish, Parsnip.

All the rest of our complete line of vegetable and flower seeds are carefully selected from the world's best crops. Over ten thousand tests for germination are made in our large laboratory each season and every lot of garden seed we handle is tested in our trial ground under average growing conditions.

Exclusively Wholesale

Northrup, King & Co.'s Seeds

Dependable Quality Since 1884

STERLING BRAND

For those who want the best. An extra premium quality which, because of the yearly variance in crops, is not available every year in all varieties of farm seeds. But when Sterling is offered, there is no brand to compete with it in quality Sold only in branded bags.

NORTHLAND BRAND

The highest quality which can be maintained year after year. Carefully selected, plump, vigorous, of good color and seiling at a moderate price. The popular brand because of its availability and its dependability over a long period of years. Sold only in branded bags.

Farm Seeds With A Reputation For Satisfaction

Since 1884 we have been supplying dependable Farm Seeds. The two brands shown above have set the standard of quality in the North Middle States.

Our specialties are Clovers, Alfalfa and other grasses and Seed Corn, both standard varieties and hybrids. We can also supply a full line of seed grains, forage crops, etc. Carlots or less.

Northrup, King & Co.'s Seeds

Dependable Quality Since 1884

KINGSCROST SEED CORN

Since 1922 Northrup, King & Co. have been carrying on extensive inbreeding and cross breeding of corn—both on field varieties and on table sweet corn. To indicate their hybrid creations, they coined the name "KINGSCROST" which covers several field varieties and several varieties of sweet corn.

Northrup, King & Co.'s LAWN SEED

Since 1884 Northrup, King & Co. have been specialists in lawn seed—both for general and special use. Their finest quality mixture offered the trade is "STERLING," in bags and in cartons. It produces a permanent and beautiful turf of fine texture. Large stocks of individual varieties also carried.
